If spread out would cover 49 city blocks or make a tent over the area between Belvidere Street to Times-Dispatch Building and from Bload to Main Street.

If stacked up in newsboy fold, would reach 2,000 feet, or more than 13 times as high is the American National Bank Building and nearly four times as high as the Washington Monument in Washington.

If each newsboy carried 22½ pounds load it would take 900 boys to deliver the papers.

If stretched out the paper, 23 inches wide, would extend 415 3-5 miles, making a ribbon from Richmond to all the following points:
